Re: United States v. Dayshen Richardson  
Criminal Docket No. 07-368 (ERK)

Dear Judge Korman:

The government writes in advance of the October 16, 2019 conference in the above-referenced matter. On August 7, 2019, the parties appeared before the Court for a status conference on the defendant's violations of supervised release and had requested that the Court accept a guilty plea and sentence the defendant. At that time, the Court ordered the government to produced photographs of a victim from an alleged assault committed by the defendant prior to the Court accepting a plea and sentencing the defendant. Accordingly, please find enclosed photographs of the victim produced to the Probation Department by the

New York City Police Department. Because this filing contains photographs of a victim, the government respectfully requests that the Court seal the enclosures of this filing.

Respectfully submitted,

RICHARD P. DONOGHUE  
United States Attorney
